

2007 IRA Contribution Deadlines

The deadline for making a 2007 IRA contribution is April 15, 2008. This deadline is applicable to all customers, even those with a tax-filing extension. To help you ensure that prior year contribution (PYC) checks are in good order and meet the 2007 contribution deadline, the envelope in which the contribution is received must be clearly postmarked on or before April 15, 2008.

If you are a client of Karp Capital Management your check should be sent directly to Fidelity (the custodian of your account).

Please put your IRA Account number on the check and indicate the year of the contribution.
